

The **READING LIONS** invite you to their
6th Annual **FREE** Prostate Cancer Check

A man dies every hour of Prostate Cancer in the UK

A yearly PSA check is highly
recommended for all men over 45

A 3 minute simple blood test could save your life.
The **Lions Club of Reading** invites all males (aged 45 and over)
to come for a **FREE PROSTATE CANCER CHECK**

Venue: **CircleReading Hospital**
off A33, Reading RG2 0GQ

Saturday 3rd March 2018 from 8.30am to 5.30pm

Please allow 30 minutes for registration and test.

45,000 new cases yearly! Early detection and treatment saves lives. Ask all the men treated for
Prostate Cancer discovered after our Reading Lions events. **Don't become a statistic!**

The PSA test is fully underwritten by the Lions Club of Reading who acknowledge with thanks the assistance and support provided by many, including Circle Reading, Sir John Madejski OBE DL, Quality Stationers & Printers, Rabbits Vehicle Hire, The Reading Urology Partnership, Berkshire & Surrey Pathology Services and others.

LADIES — PUT THIS DATE IN YOUR DIARY FOR YOUR MEN!

Parking at Madejski Stadium, RG2 0FL with Complimentary Shuttle Bus available
For details go to www.readinglions.org.uk or phone **07881 903042 / 0845 833 7431**

Where did you learn about this year's Prostate Awareness event?

If you wish to opt out of being contacted by Reading Lions from all future Prostate Cancer tests and other events, please tick this box

Please **CIRCLE**:

White - European White - Other Asian Afro Caribbean Mixed Race Other

Family History of Prostate Cancer: Father Brother Uncle Grandfather None

Family History of Breast Cancer: Mother Sister Aunt Grandmother None

Are you currently taking any of the following drugs? (Taken for an enlarged prostate):

Proscar (Finasteride) **Avodart** (Dutasteride) **Combodart** (Dutasteride)

Have you had sexual intercourse or ejaculated in the last twenty four hours: **Yes** **No**

Have you taken vigorous exercise in the last 24 hours (*Cycle riding especially*): **Yes** **No**

It is helpful to us if you indicate your PSA level (and date) that was given in any previous test:

			Date						
--	--	--	------	--	--	--	--	--	--

I would like to have a blood test to ascertain the level of my Prostate Specific Antigen (PSA).
I understand that this could indicate the need for further examination and/or tests by my Doctor after being notified of the result of my PSA blood test. I understand that even with a normal result my prostate gland could still be abnormal and I should still visit my Doctor if I have trouble passing urine or other urinary symptoms. This test is being offered free of charge. Only my Doctor or any party he recommends will be able to offer more detailed testing, advice and treatment.

Signed Date

If you have suffered flu like symptoms, vomiting or diarrhoea within 48 hours prior to your visit, we ask you not to attend this event in order to reduce the risk of transmission to others. Alternative arrangements may be made if you cannot, or should not, attend on the day. Please contact Reading Lions on 07881 903042 or 0845 833 7431 for further details.

Reading Lions fundraise to cover the considerable cost of each test. Any donation from you will help us to extend this service to others whilst still supporting other local good causes.

Donations can be made during the event or through www.readinglions.org.uk
Additional consent forms are available through the above Reading Lions website.
